Advancing the Wise Stewardship of Our Natural Resources

Anne Arundel Board of Supervisors Resolution 2009-2

April 21, 2009

The following fee schedule applies to all projects not covered by a county grading permit.

This fee schedule applies to initial approvals and subsequent re-approvals to update expiration of Erosion and Sediment Control Approvals where a County grading permit will not be issued for a project. It does not apply to ongoing reviews or revisions made between approvals.

**\$200.00 fee for all City of Annapolis projects regardless of disturbed area.
\$200.00 fee per acre; or portion of an acre (disturbed acres only).**

Any Blanket Approval for other than a county agency will be \$500.00 and will last 2 years.

Fee Schedule Adopted by
Resolution of the Anne
Arundel Soil Conservation
District Board of Supervisors
this date April 21, 2009

Kenneth Carr,
Chairman, Board of Supervisors
